Dear Mr. Santiago,

Your email correspondence to Governor Christie, dated December 6, 2012, has been forwarded to my office for response.

I have had opportunity to review the testimony you provided at the Medical Marijuana Public Hearings of March 7, 2011. I would certainly be interested in speaking with you on the topics you outlined during your testimony. I would encourage you to contact the Medicinal Marijuana Program Customer Service Unit by telephone at (609) 292-0424. Please provide one of our representatives with your contact information so we may schedule a conversation.

I thank you for your interest in the program and look forward to speaking with you.

Respectfully,

John O'Brien, Director  
Medicinal marijuana Program
